

We recommend using the Bixolon SPP-R310 Mobile Printer

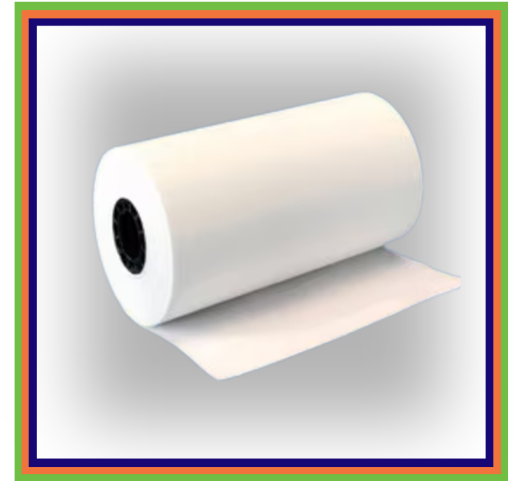

The Bixolon SPP-R310 is a rugged 3-inch mobile thermal printer widely used in e-citation and parking enforcement operations.

Why This Printer Works Well for Field Enforcement

- No Ink Required
- Uses direct thermal printing, meaning the print head heats specialized paper to create text.
 - ✓ No ink
 - ✓ No toner
 - ✓ No ribbons
 - ✓ No risk of running out of print supplies during patrols

Important:

- Only thermal paper works. Standard paper will not print.
